

## Event Planning

You have been asked to organise a week of events in your school which will:

- Enable your school mates to voice their opinion on matters which they think are important
- Raise money for a children's charity

Make a list of events which you think will inspire and motivate everyone in the school to get involved.

Write a few key points about the work of a charity which you think it would be good to support.

	Event Title	What will happen
Monday		
Tuesday		
Wednesday		
Thursday		
Friday		

I think we should support a charity that:
